Feet (2 parts)

1: 6 PRS in spacecraft (6)

2: pr * 6 (12)

3-5: 12 sb (3 rows)

At the first leg we cut the thread.

6: We don't cut off the second, knit 2 VP, attach the first leg, knit the posts in a circle of the first leg, 2 VP, posts in a circle in a circle of the second leg (28)

We start to knit the body:

7-11: 28 sb (5 rows)

We knit (1 sbn, decrease) until the end, until the hole closes.

Cut the thread, leaving a long end for sewing.

Sew the hole between the legs, fasten the legs below with a few stitches.

Pens (2 parts)

1: 6 PRS in spacecraft (6)

2-6: 6 sb (5 rows)

Cut the thread, leaving a long end for sewing.

Ears (2 parts)

1: 6 PRS in spacecraft (6)

2: 6 sbn

Cut the thread, leaving a long end for sewing.

Bow

We knit in rotary rows.

We collect 4 VP.

1: from the second loop from the hook we knit 3 sbn, 1 vp, rotation

2-5: 3 sbn, 1 vp, turn

6: 3 sb

Fasten and cut the thread.

We wrap the bow in the center with a thread and sew to the head.

We assemble the toy, embroider the nose with a black thread with a triangle, a long stitch

form the muzzle. For the eyes we use 2 mm glass beads,
embroider the eyebrows. Dry pastel rosy cheeks.

Decorate with a bow or ribbon. Amigurumi Bear is ready!
