Hello dear friends. Today I will share a cute **koala amigurumi** pattern. niyazova_toys created the pattern. The pattern is completely free. I'm sorry that the material part was not shared. However, a normal type of **yarn** was used. You can choose colors that suit you. You can use gray yarn for the crochet koala's body. The nose of the koala **amigurumi** was really decisive. Maybe a darker shade of gray can be made. Also, the cheeks of the **koala** amigurumi look very cute. The amigurumi **pattern** is quite easy. I think it can be a good option for **beginners**. I can't give full information about the size either. You can make a guess by looking at the loops. Then you can make a **doll** koala. Now let's **crochet** the **koala amigurumi** step by step.
